The Project Team
LEXIS DIARY - Secure Legal Case, Client & Court Diary Management System

Dear Project Team,

Confirmation and Approval of Figma Design and Working Prototype

I am writing to formally confirm that I have reviewed the Figma design and the working prototype of the LEXIS DIARY - Secure Legal Case, Client & Court Diary Management System.

I am very pleased with the overall design, user interface, functionality, and workflow demonstrated in the prototype. I have carefully reviewed the presented features and found that the design and working prototype meet my expectations.

I appreciate the effort, creativity, and dedication demonstrated by your team throughout this process. I am fully satisfied with the current design and working prototype and hereby confirm my approval to proceed with the next stages of the project development.

Thank you for your hard work and commitment.

Yours sincerely,

Sewwandi N. D. Boralessa Yapa
